Introduction

The policy makes reference to, and is compliant with:

- West Yorkshire Consortium Safeguarding Children Procedures (see link from Kirklees Safeguarding Children Board website at www.kirkleessafeguardingchildren.co.uk or go direct to the manual at: <http://www.proceduresonline.com/westyorksrb/>)
- “Working Together to Safeguard Children” (2015)
- “What to do if you are worried a child is being abused” (2015)
- “Keeping Children Safe in Education” (2018)

1.0 School Commitment

This policy applies to all adults, including volunteers, working in or on behalf of the school.

We aim to work in partnership and have an important role in multi-agency safeguarding arrangements as set out by Working Together 2018. Everyone working in or for our school service shares an objective to help keep children and young people safe by contributing to:

- providing a safe environment for children and young people to learn and develop in our school setting, and
- identifying children and young people who are suffering or likely to suffer significant harm, and taking appropriate action with the aim of making sure they are kept safe both at home and in our school setting’

Netherhall Learning Campus, inclusive of the Creative and Media Studio School, are committed to safeguarding and promoting the well being of all of its pupils. Each pupil’s welfare is of paramount importance. We recognise that some children *may* be especially vulnerable to abuse. We recognise that children who are abused or neglected may find it difficult to develop a sense of self worth and to view the world in a positive way. Whilst at school, behaviour may be challenging. We recognise that they may exhibit concerning behaviours and at times this may impact on other children either directly or indirectly. We will always take a considered and sensitive approach in order that we can support all of our pupils.

2.0 Providing a Safe and Supportive Environment

2.1 Safer Recruitment and Selection

2.1 Safer Recruitment and Selection (please download guidance on DBS, Vetting and Barring)

The school pays full regard to DfE guidance 'Keeping Children Safe in Education' (2016).

We ensure that all appropriate measures are applied in relation to everyone who works in the school who is likely to be perceived by the children as a safe and trustworthy adult including e.g. volunteers and staff employed by contractors. Safer recruitment practice includes scrutinising applicants, verifying identity academic and vocational qualifications, obtaining professional references, checking previous employment history and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and checking the candidates DBS status, the Children's List, Criminal Records Bureau checks and right to work in England checks.

In line with statutory changes, underpinned by regulations, the school/college will maintain a Single Central Record (SCR). This document will cover the following people:

- all staff (including supply staff, and teacher trainees on salaried routes) who work at the school: in colleges, this means those providing education to children; and
- for independent schools, including academies and free schools, all members of the proprietor body

The information that must be recorded in respect of all staff members mentioned above is whether the following checks have been carried out or certificates obtained, **and** the date on which each check was completed/certificate obtained apply:

- an identity check;
- a barred list check;
- an enhanced Disclosure and Barring Service (DBS) check
- a prohibition from teaching check;
- a section 128 check (for management positions as set out in paragraph 99 for independent schools, including free schools and academies);
- further checks on people who have lived or worked outside the UK: this would include recording checks for those European Economic Area (EEA) teacher sanctions and restrictions;
- a check of professional qualifications; and
- a check to establish the person's right to work in the United Kingdom.

For supply staff, the school will include whether written confirmation that the employment business supplying the member of supply staff has carried out the relevant checks and obtained the appropriate certificates, whether any enhanced DBS check certificate has been provided in respect of the member of supply staff and the date that confirmation was received.

Where checks are carried out on volunteers, the school will record this on the single central record.

Under no circumstances will a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity with a child.

Michael Kent	Designated person, Campus Principal
Peter Rock	Chair of Governors
Patrice Curtis	School Governor

The above named have undertaken Safer Recruitment in Education Training. One of the above will be involved in all staff and volunteer appointments and arrangements (including, where appropriate, contracted services).

Home-stays (Exchange Visits)

Where children from overseas are staying with UK parents as part of an exchange organised by the school, those parents will be deemed to be in 'Regulated Activity' for the duration of the stay and as such will require to submit to an enhanced DBS check including barring check. As a volunteer, all checks will be processed free of charge by the DBS. Where additional people in the host family are aged over 16 (i.e. elder siblings) the school will consider on a case by case risk assessment basis whether such checks are necessary

2.2 Safe Working Practice

Our school will comply with the current Safe Practice guidance to be found in Kirklees Safeguarding Procedures at www.kirkleessafeguardingchildren.co.uk

Safe working practice ensures that pupils are safe and that all staff:

- are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions;
- work in an open and transparent way;
- work with other colleagues where possible in situations open to question
- discuss and/or take advice from school management over any incident which may give rise to concern;
- record any incidents or decisions made;
- apply the same professional standards regardless of gender, sexuality or disability
- comply and are aware of the confidentiality policy
- are aware that breaches of the law and other professional guidelines could result in criminal or disciplinary action being taken against them.

School/College staff having concerns about another member of staff:

- staff members having concerns about another member of staff will report these to the head teacher/principal.
- where staff members have concerns about the head teacher/principal, these will be reported to the chair or governors, chair of management committee or proprietor of an independent school as appropriate. Where the head teacher/principal is the proprietor then the concern should be reported to the Local Authority Designated Officer (LADO)

School/College staff having concerns about safeguarding practices:

- all staff and volunteers should feel able to raise concerns about poor or unsafe practice and potential failures in the school or college's safeguarding regime and that such concerns will be taken seriously by the senior leadership team.
- appropriate whistleblowing procedures, are in place within the school / college and can be read in further detail by accessing the separate school/college whistleblowing policy.
- where a staff member feels unable to raise an issue with their senior leadership or feel that their genuine concerns are not being addressed, other whistleblowing channels may be open to them by accessing; www.gov.uk/whistleblowing or alternatively www.gov.uk/government/news/home-office-launches-child-abuse-whistleblowing-helpline

2.3 Risk Assessments

Risk assessments are taken seriously and used to good effect to promote safety. Risk assessments are available for all aspects of the school's work such as premises and equipment, on-site activities, off-site activities, venues used, transport. Where relevant, risk assessments are carried out for individual pupils, and supported by action plans identifying how potential risks would be managed.

Individual risk assessments are also used when deciding a response to a child demonstrating potentially harmful behaviour such as sexually harmful behaviour or when identifying whether a child who may be particularly vulnerable, such as a child at risk of Child Sexual Exploitation. The Campus may also use a risk assessment to support a child who requires additional support through evacuation procedures to ensure a safe exit from the school building.

2.4 Safeguarding Information for pupils

All pupils in our school are aware of a number of staff who they can talk to. The safeguarding display board identifies key members of staff within school that students can talk to. The school is committed to ensuring that pupils are aware that some types of behaviour displayed towards them are not acceptable, and how they can keep themselves safe. All pupils know that we have a senior member of staff (DSL) with responsibility for child safeguarding and know who this is; again this is displayed on the safeguarding information board. We inform pupils of whom they might talk to, both in and out of school, their right to be listened to and heard and what steps can be taken to protect them from harm. PSHCE and online safety awareness materials are used to help pupils learn how to keep safe and these include: SEAL materials, CEOP training resources, Posters around the Campus site, helplines such as Child line and the NSPCC.

School's arrangements for consulting with and listening to pupils are:

School council
Tutor time/assemblies
Learning Mentors

We make pupils aware of these arrangements by:

Speaking to the children during tutor time and assemblies
One to one meetings
Display board

2.5 Partnership with Parents

The school shares a purpose with parents to educate and keep children safe from harm. Parents must feel able to come to school to talk about any concerns they may have about a child being at risk of harm. If the school is not deemed appropriate then they will be signposted e.g. by alerting them to the information for parents at www.kirkleessafeguardingchildren.co.uk; www.nspcc.org.uk; www.ceop.gov.uk or Kirklees

Referral and Response Service on 01484 456848, Kirklees Duty and Advice Team on 01484 456848.

We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission or it is necessary to do so in order to protect a child.

Netherhall Learning Campus and Creative and Media Studio School will share with parents any concerns we may have about their child unless to do so may place a child at risk of harm (see 3 Action by Designated Safeguarding Lead)

We encourage parents to discuss any concerns they may have with Heads at each Campus, Class Teachers, Heads of Year and SMT.
Parents are made aware that they can view this policy on request.

The school's child safeguarding policy and child protection policy is available by accessing the school website or a written copy will be provided on request to the school office.

Netherhall Learning Campus and Creative and Media Studio School are committed to ensuring the welfare and safety of all children in school. All Kirklees schools, including Netherhall Learning Campus High School and Creative and Media Studio School follow the Kirklees Safeguarding Children Board procedures. The school will, in most circumstances, endeavour to discuss all concerns with parents about their children. However, there may be exceptional circumstances when the school will discuss concerns with Duty and Advice and/or the Police without parental knowledge (in accordance with Kirklees Safeguarding Children Procedures). The school will, of course, always aim to maintain a positive relationship with all parents. The school's child protection policy is available on request.

2.6 Partnerships with others

Our school recognises that it is essential to establish positive and effective working relationships with other agencies who are partners in the Kirklees Safeguarding Children Board. The school works closely with the following agencies to ensure the safety of the children in our school LA, Referral and Response Service, Barnardo's, Police, Health, Local District Council, ChildLine in Partnership with schools, NSPCC, National Youth Advocacy Service, Surestart, Children's Fund etc..

There is a joint responsibility on all these agencies to share information to ensure the safeguarding of all children.

It also holds that in a very similar vein, the employer partners of C&MSS offer many similar intrinsic benefits to the students. That noted, these environments and staff do pose potential risks. As part of the vetting and induction process, the Business Manager is to ensure that all known risks and remedial actions are recorded, and that the students and staff are made completely aware of their personal rights and responsibility of reporting duties before beginning any placement, specifically with regard to personal safety.

In the event of any change to supervising personnel or staff in the employer's environment, the Business Manager must be advised.

The Business Manager will also conduct a review, within one month of the placement, with the Personal Coach and student, independently. This will be to establish that both the environment and the member of staff providing the coaching are non-threatening for the student. The student will also have contact details of staff within C&MSS that they are able to contact with regard to any issue that may concern them.

It will also fall upon the Business Manager as part of their role to:

- to liaise directly with agencies above to identify, and or monitor, any threats posed to students in their placement
- to report any concerns and information to the appropriate staff, MK, SD or SM, for immediate action.

2.7 School Training and Staff Induction

The school's Designated Safeguarding Lead (**DSL**) with responsibility for child protection, undertakes appropriate child safeguarding training and inter-agency working training (provided by the Kirklees Safeguarding Children Board)

The DSL and any deputies will undergo training to provide them with the knowledge and skills required to carry out the role. The training should be updated every two years.

In addition to their formal training, their knowledge and skills will be updated (for example, via e- bulletins, meeting other DSL's, or taking time to read and digest safeguarding developments), at regular intervals, **but at least annually**, to keep up with any developments relevant to their role.

The Principal and Head teacher at each phase and all other school staff, including non-teaching staff, will receive appropriate safeguarding and child protection training which is regularly updated.

In addition, all staff members will receive safeguarding and child protection updates (for example, via e-mail, e-bulletins and staff meetings), as required, **but at least annually**, to provide them with relevant skills and knowledge to safeguard children effectively.

The Basic Awareness of Child Abuse and Neglect online training can be accessed at www.kirkleessafeguardingchildren.co.uk.

The whole school Basic Awareness in Child Safeguarding training can be booked via the KSCB Schools Safeguarding Officer on 01484 221000 and should be completed by all staff every three years.

All staff (including temporary staff and volunteers) are provided with the school's child safeguarding policy and informed of school's child protection arrangements on induction.

2.8 Support, Advice and Guidance for Staff

Staff will be supported by SMT and, LA and professional associations.

The designated senior person for Safeguarding/Child Protection will be supported by SMT and the nominated governor.

Advice is available from Kirklees - Duty and Advice Team on 01484 414960 or 456848 and the Police Child Safeguarding Unit (See Contacts List Appendix 1) as well as from the Safeguarding Officer for Schools & Learning – Michelle Hodges 01484 221000

2.9 Related School Policies

At Netherhall Learning Campus and the Creative and Media Studio School Safeguarding covers more than the contribution made to child protection in relation to individual children. It also encompasses issues such as pupil health and safety, child sexual exploitation (CSE), bullying including cyberbullying, domestic abuse, drugs and substance misuse, fabricated or induced illness, faith abuse, female genital mutilation (FGM), forced marriage, gangs and youth violence, gender based violence/violence against women and girls (VAWG), mental health, private fostering, radicalisation, sexting, teenage relationship, trafficking etc. Other policies will include, for example, arrangements for meeting the medical needs of children, providing first aid, school security, positive behaviour etc. There may also be other safeguarding issues that are specific to the local area or population'.

Missing children, collecting children, e safety, substance misuse, whistle blowing, anti bullying allegations, drugs

Keeping Children Safe in Education (2018). - Is the latest government publication on Child Safeguarding in Schools and is referred to in all our policies. Part one is shared with all staff across the Campus.

Children Missing Education in Kirklees is one of the statutory functions carried out by the Education Safeguarding Team which is situated within the Attendance & Pupil Support Service.

Section 436A of the Education Act 1996 imposes a legal duty on all local authorities to identify, as far as it is possible to do so, Children Missing Education (CME) and get them back into education.

The law requires all schools to have an admission register and, with the exception of schools where all pupils are boarders, an attendance register. All pupils must be placed on both registers.

Netherhall Learning Campus and the Creative Media Studio School will inform the local authority of any pupil who is going to be deleted from the admission register. It will be done as soon as the grounds for deletion are met and in any event prior to the name of the pupil being deleted, so that the local authority can identify children of compulsory school age who are missing education and follow up on any child who may be at risk of abuse or neglect.

The school will inform the local authority of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 school days or more.

Availability

- During term time the Designated Safeguarding Lead (or a deputy) will always be available (during normal school or college hours) for staff in school (or college) to discuss any safeguarding concerns. Whilst generally speaking the Designated Safeguarding Lead (or deputy) would be expected to be available in person. All staff and volunteers will:

Fully comply with the school's policies and procedures.

Inform the designated safeguarding lead of any concerns as soon as possible and will back up any verbally related concerns in writing.

Identify children who would benefit from early help intervention in addressing needs/concerns from the outset at a lower level in order to prevent crisis situations arising in the future. Where such children are identified staff should bring these to the attention of the designated safeguarding lead who will follow the procedures laid down in section 4 of this policy.

Ensure that all cause for concern forms are recorded via the CPOMs system and will act as a single location co-ordination and onward transmission as appropriate to the designated safeguarding lead.

Further detail can be found in section 4.

2.11 CPOMs

Across the Campus all staff have been trained and implement the online system of CPOMs (Child Protection and Online Management System).

CPOMs is a Campus wide intuitive that allows us to track, monitor and record all safeguarding incidents and or causes for concerns. The system allows for a close monitoring of any issues that may arise.

All staff undergoes training to access the system and this is updated annually via the DSL across the Campus.

2.12 Alternative Provision

This school is committed to safeguarding our children even if they are placed in alternative provision for a period of time within the school day/week. We therefore seek written reassurance that any Alternative Provision provider has acceptable safeguarding practices in place including; their response to concerns about a child; safer recruitment processes; attendance and child missing education procedures; and appropriate information sharing procedures. The school will also obtain a written statement from the provider that they have completed all the vetting and barring checks that are necessary on their staff.

When organising work placements the school will ensure that the placement provider has policies and procedures in place to safeguard pupils.

3.1 Child Protection Procedures

Teachers and other adults in school are well placed to observe any physical, emotional or behavioural signs which indicate that a child may be suffering significant harm. The relationships between staff, pupils, parents and the public which foster respect, confidence and trust can lead to disclosures of abuse, and/or school staff being alerted to concerns.

Definitions:

(‘Working Together’ 2018 and ‘Keeping Children Safe in Education’ 2018)

A child: any person under the age of 18 years.

Harm means ill-treatment or impairment of health and development, including, for example, impairment suffered from seeing or hearing the ill-treatment of another;

Development means physical, intellectual, emotional, social or behavioural development;

Health includes physical and mental health; maltreatment includes sexual abuse and other forms of ill-treatment which are not physical.

Abuse: a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others (e.g. via the internet). They may be abused by an adult or adults or another child or children.

Physical abuse: a form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child (Fabricated Induced Illness).

Emotional abuse: the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child’s emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or ‘making fun’ of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child’s developmental capability as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the

exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Sexual abuse: involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Neglect: the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

All staff follow the schools Child Protection Procedures which are consistent with 'Working Together to Safeguard Children 2018' and the Kirklees Safeguarding Children Board guidance.

It is **not** the responsibility of the school staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All members of staff however, have a duty to recognise concerns and maintain an open mind. Accordingly all concerns regarding the welfare of pupils will be recorded and discussed with the designated safeguarding lead with responsibility for child protection (or the deputy DSL in the absence of the designated person) prior to any discussion with parents.

Where a member of staff is recognising signs or indicators that a child may have unmet needs or welfare concerns these will always be passed on to the Designated Safeguarding Lead to ensure that any appropriate interventions and/or referrals can be actioned. The DSL will use the Kirklees framework for making safeguarding decisions to determine the threshold of concern and then will determine whether this can be dealt with within school or whether this may require an Early Intervention

3.2 Supporting the child and partnership with parents

School recognises that the child's welfare is paramount, however good child protection practice and outcomes rely on a positive, open and honest working partnership with parents

Whilst we may, on occasion, need to make referrals without consultation with parents, we will make every effort to maintain a positive working relationship with them whilst fulfilling our duties to protect any child

We will provide a secure, caring, supportive and protective relationship for the child

Children will be given a proper explanation (appropriate to age and understanding) of what action is being taken on their behalf and why

We will endeavour always to preserve the privacy, dignity and right to confidentiality of the child and parents. The Designated Safeguarding Lead will determine which members of staff "need to know" personal information and what they "need to know" for the purpose of supporting and protecting the child.

3.3 The Prevent Duty

Under section 26 of the Counter-Terrorism and Security Act 2015, Netherhall Learning Campus, inclusive of the Creative and Media Studio School is aware that we must have due regard to the need to prevent people from being drawn into terrorism, and that this is known as the Prevent Duty.

In order to fulfil the Prevent Duty staff have received The Working to Raise Awareness of Prevent (WRAP) Training (repeated every three years) alongside Channel Training and SMT and all key pastoral staff (inclusive of Safeguarding Staff) have completed the Home Office Prevent Training to help them to identify children who may be vulnerable to radicalisation, and the school is committed to accessing further training to ensure that all staff are up to date and aware of this duty. If staff do identify children for whom this may be a concern they should apply the usual referral process and Child Protection procedures and pass this information to the Designated Safeguarding Lead (DSL).

The Designated Safeguarding Lead will contact the Prevent Coordinator should there be concerns about a child or family linked to potential radicalisation or extremism. The Prevent Coordinator will then assist the DSL regarding whether a referral is appropriate and whether this child or family will need to be referred to the Channel Panel.

Netherhall Learning Campus, inclusive of the Creative and Media Studio School will also incorporate the promotion of fundamental British Values into the Safeguarding Curriculum and/or PSHE in order to help build pupils' resilience and enable them to challenge extremist view. This will also be a key part of the Campus pastoral provision delivered through key assemblies and tutor time activities. School will provide a safe space in which children and staff can understand the risks associated with terrorism and develop the knowledge and skills to be able to challenge extremist arguments through targeted and regular training activities.

Radicalisation will also be considered within current Online Safety policies, procedures and curriculum in terms of having suitable filtering and monitoring in place and also raising awareness with staff, parents and children about the increased risk of online radicalisation, through the use of the internet, Social Media and Gaming.

For more information about Prevent in Kirklees, including referral forms and project examples please visit the Kirklees Prevent website www.kirklees.gov.uk/prevent or contact the hub via 01924 483747/ Anycomms "Prevent Referral" or Prevent@kirklees.gcsx.gov.uk

3.4 Child Sexual Exploitation

Netherhall Learning Campus, inclusive of the Creative and Media Studio School is aware that; Child Sexual Exploitation (CSE) is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology. (Child sexual exploitation: Definition and a guide for practitioners, local leaders and decision makers working to protect children from child sexual exploitation (2017)

Staff have been made aware of some of the key indicators of CSE by regular training provided by DSL. In addition Netherhall Learning Campus, inclusive of the Creative and Media Studio School appreciates that it has a role to play in the prevention of CSE within its Safeguarding curriculum e.g. Healthy Relationships, a structured assembly programme and linked tutor activities.

If staff do identify children for whom CSE may be a concern they will apply the usual referral process and Child Protection procedures and pass this information to the Designated Safeguarding Lead (DSL). The DSL can then refer cases where relevant to Kirklees Duty and Assessment Team Netherhall Learning Campus, inclusive of the Creative and Media Studio School also appreciates that they have a role to play in sharing intelligence relevant to perpetrators of CSE, and therefore if such information should come to light within school the DSL will share this appropriately with the police.

3.5 Female Genital Mutilation

Netherhall Learning Campus, inclusive of the Creative and Media Studio School understands that Female Genital Mutilation (FGM) comprises all procedures involving partial or total removal of the external female genitalia, and know that FGM is illegal in the UK, is a form of child abuse and has long-lasting harmful consequences. Netherhall Learning Campus, inclusive of the Creative and Media Studio is aware that Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon teachers to report to the police where they discover that FGM appears to have been carried out on a girl under 18 years of age. This mandatory duty commenced in October 2015.

Staff are aware of the indicators of FGM and if they were to directly observe (if involved in intimate care) or indirectly become aware of other potential indicators they should apply the usual referral process and Child

Protection procedures and pass this information to the Designated Safeguarding Lead (DSL). The DSL can then make appropriate referrals to Duty and Assessment and/or the Police as is their mandatory duty.

3.6 Domestic Abuse

Netherhall Learning Campus, inclusive of the Creative and Media Studio School understands that the cross-government definition of domestic violence and abuse is any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality.

The abuse can encompass, but is not limited to: psychological, physical, sexual, financial, emotional harm.

Controlling behaviour is a range of acts designed to make a person subordinate and/or dependent by isolating them from sources of support, exploiting their resources and capacities for personal gain, depriving them of the means needed for independence, resistance and escape and regulating their everyday behaviour.

Coercive behaviour is an act or a pattern of acts of assault, threats, humiliation and intimidation or other abuse that is used to harm, punish, or frighten their victim.

If staff do identify children for whom Domestic Abuse may be a concern they should apply the usual referral process and Child Protection procedures and pass this information to the Designated Safeguarding Lead (DSL). The DSL can then refer cases where relevant to Kirklees Duty and Advice Team. Where DV Notifications are received from the Domestic DAAT, this information will be added to a child's chronology and child protection record to ensure that appropriate support can be provided where necessary.

3.7 Forced Marriage

A forced marriage is where one or both people do not (or in cases of people with learning disabilities, cannot) consent to the marriage and pressure or abuse is used. It is an appalling and indefensible practice and is recognised in the UK as a form of violence against women and men, domestic/child abuse and a serious abuse of human rights.

Staff at Netherhall Learning Campus, inclusive of the Creative and Media Studio School understand that likewise this is a potential Safeguarding issue and thus they would pass on concerns by applying the usual referral process and Child Protection procedures and pass this information to the Designated Safeguarding Lead (DSL).

3.8 Peer on Peer Abuse

Sometimes safeguarding issues can manifest themselves via peer on peer abuse. This is most likely to include, but not limited to: bullying (including cyber bullying), gender based violence/sexual assaults and sexting. Staff are clear that whilst these may be responded to through Behaviour Management there is also a need for this information to be shared with the DSL in order to address the underlying Safeguarding concerns.

3.9 Youth Produced Sexual Imagery

Where there is a disclosure or the school becomes aware that a child may have been involved in sending 'youth produced sexual imagery' which is sometimes referred to as 'sexting' it will refer to the guidance in the document 'Sexting in Schools and Colleges, Responding to incidents and Safeguarding young people' published by the UK Council for Child Internet Safety (2016). Staff understand that when an incident involving youth produced sexual imagery comes to their attention:

- The incident should be referred to the DSL as soon as possible
- The DSL should hold an initial review meeting with appropriate school staff
- There should be subsequent interviews with the young people involved (if appropriate)
- Parents should be informed at an early stage and involved in the process unless there is good reason to believe that involving parents would put the young person at risk of harm

- At any point in the process if there is a concern a young person has been harmed or is at risk of harm a referral should be made to children's social care and/or the police immediately

We will also refer to:

[The DfE guidance 2018 on Searching Screening and Confiscation Advice for Schools](#)

3.10 Attendance and Children Missing from Education

Netherhall Learning Campus, inclusive of the Creative and Media Studio School understands that poor attendance can be an indicator of concern for children with welfare and safeguarding concerns, and thus ensures that information is shared between the Campus attendance team, each phase across the Campus has a dedicated attendance officer in post who works closely with the leadership team and the LA to support any attendance issues and concerns. Likewise school understands that a parent failing to inform the school that a child has an authorised absence could be a cause for concern and thus. The school will follow Kirklees internal guidance 'First Day Calling' procedures and 'Kirklees Guidance for Schools on the Monitoring and Reporting of Pupils who Absent themselves during the School day'

Netherhall Learning Campus, inclusive of the Creative and Media Studio School appreciates that the Local Authority has a Statutory Duty to ensure that all children and young people of compulsory school age receive suitable and appropriate education. Netherhall Learning Campus, inclusive of the Creative and Media Studio School will support the Authority in ensuring that this duty is carried out effectively. There are specific duties in respect of Children Missing Education (CME) and there are strict guidelines in respect of both the definition of CME and the legalities of deleting a pupil from a school roll.

Netherhall Learning Campus, inclusive of the Creative and Media Studio School understands that it is essential that Netherhall Learning Campus, inclusive of the Creative and Media Studio School will contact the Local Authority Education Safeguarding Team on 01484 221919 to inform them where any pupil has been absent for 10 consecutive days without a reason being provided for the absence.

3.11 Child Criminal Exploitation: County Lines

School recognise that criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity: drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs. School will consider whether a referral to the National Referral Mechanism (NRM) should be undertaken in order to safeguard that child and/or other children. ([hyperlink to NRM guidance doc.](#))

3.12 Contextual Safeguarding

School recognises that safeguarding incidents and/or behaviours can be associated with factors outside the school and/or can occur between children outside the school. All staff, but especially the designated safeguarding lead will consider the context within which such incidents and/or behaviours occur. This is known as contextual safeguarding, which simply means assessments of children should consider whether wider environmental factors are present in a child's life that are a threat to their safety and/or welfare. The school will provide as much information as possible to children's social care as part of any referral undertaken.

3.13 Children with Family Members in Prison

School understands that children who have members of their family in prison are more likely to underachieve and fail to reach their potential than their peers and may require specific services and support. Families and children of people in prison will be seen as families first and school will work to ensure their needs are appropriately met. This will include providing support to ensure the voice of the child is considered when seeking contact with a family member in prison.

3.14 Sexual Violence and Sexual Harassment between children

Sexual violence and sexual harassment involving children at the school is a form of peer on peer abuse. Sexual violence involves the criminal sexual offences defined in the Sexual Offences Act 2003. Sexual Harassment is defined as unwanted conduct of a sexual nature and can include online behaviour. Neither is acceptable and will not be tolerated by the school. School take all such reports seriously and they will receive the same high standard of care that any other safeguarding concern receives. A multi-agency approach will be undertaken when responding to all such complaints; however the school will always take immediate action to protect children despite the actions of any other agency. These actions may include an immediate risk assessment in respect of the needs of the child victim and will address any risks identified to any child in respect of an alleged perpetrator of sexual violence or sexual harassment to ensure children are protected from harm. Any risk assessment will be fluid and may change to reflect any developments during the management of the case. All such reports will be managed by the Designated Safeguarding Lead. There are a number of options the school may consider in respect of the management of a report of sexual violence or sexual harassment between children and each case will receive an appropriate bespoke response once all the facts are known. Irrespective of any potential criminal outcome, the school have a duty to safeguarding all children and may deal with any such report on a balance of probability basis when considering the outcomes for children involved. Should an outcome involve a move to an alternative school for any child then full information sharing of the case will be undertaken with the Designated Safeguarding Lead professional at that school.

3.15 Carrying Knives/offensive weapons and gang culture

Bringing and carrying a knife/offensive weapon onto school/college premises is a criminal Offence and immediate action will be taken by calling the police and informing the informed. The guidance on Searching, Screening and Confiscation for Head teachers, schools and Governors, January 2018 will be consulted and the school/college will consider and may apply the disciplinary procedure. If a member of staff suspects a pupil/student being involved in gang culture, this is a Safeguarding concern and will require a discussion with the Designated Safeguarding Lead who will seek advice from agencies and professionals including reference to the Safeguarding procedures as outlined by the local authority. The pupil/student may be an exploited child and victim to which the school/college will offer support

3.16 Children who may require Early Help

All Staff (Governors and Volunteers) working within the School should be alert to the potential need for early help for children, for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs;
- Is a young carer;
- Is a privately fostered child;
- Has returned home to their family from care:

- Is showing signs of engaging in anti-social or criminal behaviour;
- Is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health, domestic violence; and/or
- Is showing early signs of abuse and/or neglect;
- Is showing signs of displaying behaviour or views that are considered to be extreme;
- Is misusing drugs or alcohol themselves:
- Not attending school or are at risk of exclusion from school;
- Frequently going missing/goes missing from care or from home;
- Is at risk of modern slavery, trafficking, exploitation, radicalised;
- Not in education, training or employment after the age of 16 (NEET);
- Is homeless and the impact of the pupil facing homelessness

These children are therefore more vulnerable; this School/College will identify who their vulnerable children are, ensuring all Staff and Volunteers know the processes to secure advice, help and support where needed.

When using reasonable force this is in line with national guidelines and takes into account individual pupil needs and risk management /care plans and in particular with regard to SEND;

3.17 Looked After Children

All staff recognise that looked After Children and care leavers are more vulnerable than other children, often having poorer educational outcomes; therefore, ensuring their wellbeing, safety and welfare, helping them to reach their potential which includes the looked after child who is moving on. The school/college will also ensure that care leavers are supported with pathways including liaison with the local authority where a personal advisor will be appointed and a full working relationship is maintained with the Kirklees Virtual School head teacher Janet Tolley (01484 221000) in respect of all pupils at the school who are subject of 'looked after' status

Section 4 Allegations regarding Person(s) Working in or on behalf of School (including Volunteers)

Where an allegation is made against any person working in or on behalf of the school that he or she has:

- a. Behaved in a way that has harmed a child or may have harmed a child
- b. Possibly committed a criminal offence against or related to a child; or
- c. Behaved towards a child or children in a way that indicates he or she would pose a risk of harm to children.

We will apply the same principles as in the rest of this document and we will always follow the West Yorkshire Consortium Safeguarding Children Procedures that can be accessed at <http://westyorkscb.proceduresonline.com/> Detailed records will be made to include decisions, actions taken, and reasons for these. All records will be retained securely in the safe room in school.

Whilst we acknowledge such allegations, (as all others), may be false, malicious or misplaced, we also acknowledge they may be founded. It is, therefore, essential that all allegations are investigated properly and in line with agreed procedures.

Initial action to be taken:

- The person who has received an allegation or witnessed an event will immediately inform the head teacher and make a record
- In the event that an allegation is made against the head teacher the matter will be reported to the Chair of Governors who will proceed as the 'head teacher'
- The head teacher will take steps, where necessary, to secure the immediate safety of children and any urgent medical needs
- The member of staff will not be approached at this stage unless it is necessary to address the immediate safety of children
- The head teacher may need to clarify any information regarding the allegation; however no person will be interviewed at this stage.
- The head teacher (or Chair of Governors if the allegation is about the Head Teacher) will consult with the Local Authority Designated Office for Child Protection immediately, in order to determine if it is appropriate for the allegation to be dealt with by school or whether there needs to be a multi-agency response to the matter.
- The needs of the child or children will remain at the centre of all action taken. With this in mind, any referral to the Local Authority Designated Officer should also be accompanied by consultation with Kirklees – Duty and Advice Team. This is to establish from the outset whether the concerns identified meet the threshold for a Section 47 child protection investigation and/or the police in respect of any criminal investigation
- Consideration will be given throughout to the support and information needs of pupils, parents, staff and the employee the subject of the allegation. .
- The head teacher will inform the Chair of Governors of any allegation against a member of school/college staff.
- If consideration needs to be given to the individual's employment and immediate management of risk, advice will be sought from either Kirklees Council HR or the HR advisor employed by the school/college.
