

Consequences and Rewards

Gold Zone	Gold zone party—you will be invited to attend a special party organised by our school council if you have been in Gold zone at least once each week with no grey or orange zones.
Green Zone	Green zone party each half term. A great afternoon to enjoy in class—games, DVD and other fun activities.
Grey Zone	Your behaviour may result in you moving to Orange Zone. However, you can avoid this and move back to Green Zone within 15 minutes if you try hard—so do not worry!
Orange Zone	You will spend 1 break and 1 lunchtime with a member of staff—'reflection' a chance to think and discuss the behaviour and what different decision could be made. School will phone home and send a letter explaining what has happened today. For every Orange Zone, you will miss 10 minutes of the Green Zone Party.
Red Zone	Mrs Lowe or Miss Hudson will decide on the consequence for being in red zone. It may be working out of class for the day or missing 2/3 break and lunchtimes.

Our core values

RESPECT	FRIENDSHIP
HONESTY	PERSEVERANCE

How it Works:

Green Zone—you start each morning and afternoon in green zone and will stay in green zone when you have a positive day and work hard.

Gold zone—for when you do something extraordinary throughout the day.

Grey Zone—a chance to think so you can make more positive decisions about things you are doing.

Orange zone—you will be in reflection for 1 break and 1 lunch

Red Zone - this is for serious incidents. Mrs Lowe and Miss Hudson will decide if a behaviour needs to be 'red zone'

Throughout school we use a THRIVE approach for our children and work hard to understand the reasons behind the behaviour they show.

THRIVE and our Pastoral approach

We ensure that the behaviour system sits along side restorative and positive approaches to help children overcome barriers and to learn how to play positively, work hard and be respectful. We recognise that it takes time to learn these things and we set clear boundaries for children as well as celebrating when they have made the right choices.

We want all children at our school
to become great learners.

We believe that all of you have the
right to learn and feel safe at
school.

This is our code of conduct.
By coming to our school, you
agree to always behave in the best
possible way.

Grey Zone

If you do any of these things after being asked to stop, you will move your name to Grey Zone:

- You are talking when you have been told to work quietly;
- You do not follow instructions from an adult in school;
- You are disturbing others and preventing them from learning;
- Your behaviour means that you need a time-out from class.
- After a reminder if your behaviour distracts the learning of others you will be moved to grey zone.

In addition, if you continue to behave in this way after moving your name, you will be moved to Orange Zone.

If you improve your behaviour, you will be moved back to Green Zone within 15 minutes. You may have time out in your classroom to prevent an Orange Zone.

You will still attend your 'green zone party' at the end of the half term but will not be invited to the Gold zone party.

Orange Zone

If you do any of these things, you will move your name to Orange Zone:

- You hurt another child on purpose—with your words or your actions
- You refuse to follow an adult's instructions
- You use bad language or make rude signs with your hands on the playground or in the classroom;
- You are disrespectful to a member of staff;
- You keep disturbing other children in class;
- You lose your temper and refuse to do as you are asked;
- Your behaviour means that you have to be sent to a partner classroom so as not to disturb others.

Orange zone will mean 1 break and 1 lunchtime 'reflection' - this means you will not play on the playground and will take time to 'reflect' with one of the adults in school and think about how you could make more positive choices next time.

You will miss 10 minutes of the green zone party at the end of the half term (no gold zone invitation)

Gold zone

If you do any of these things, you will move your name to Gold zone:

- show outstanding effort in your work
- Show you are an exemplary member of our school
- Show one of our core values to a high standard
- Do something 'above and beyond'.
- Show that you are a role model to other pupils
- Show that you do 'the right thing even when no-one is watching'
- Produce an excellent piece of work
- Work hard with home learning tasks

You will take a 'gold zone' slip or be in your class raffle and can share with your parents/ carers and will be celebrated on the 'roll of honour' in celebration assembly. If you are in gold zone at least once each week then you will be invited to the Gold zone party.
