Dear Parents and Carers,

On Friday 22nd March we will be celebrating World Autism Acceptance Day. Throughout this day we will be raising awareness for the challenges of those on the Autism Spectrum, as well as for those who are in their families or friend groups. We are incredibly lucky to have our Alternative Resource Provision within our diverse and inclusive school community, which provides support for pupils with Complex Communication & Interaction needs. Therefore, we feel that World Autism Acceptance Day's message of kindness, understanding and celebrating difference is one we should celebrate.

Throughout the day we are going to be raising the profile of Autism Spectrum Condition by dressing in a 'Spectrum of Colours' – however colourful you would like to be is completely up to you. Therefore, on this day please wear colourful non-school uniform. We will also be completing activities in our classes to celebrate differences with the character Pablo.

Kind Regards,

Miss A Ellershaw

Teacher - Alternative Resource Provision
