### A new term ahead

We welcome back Mrs Maud from her maternity leave as she transitions back into Year 5 as class teacher. Mrs Vardanyan will continue to work with us until February leading groups in Year 6 as we help our children do their best for SATs in May.

We have welcomed Miss Steadman and Miss Washington into our staff family this last half term and they have made a real positive start and impact around school.

We emailed last week about changes we have made in school to ensure we are teaching phonics and reading in the best way so we can get all of our children reading independently, confidently and fluently from whatever starting level they are at. We have seen great progress and confidence in children who have also spent time learning at home - a bit of reading, spellings practice and times tables can have a huge impact on helping things sink into our children's long term memory.

On behalf of all the staff, I would like to wish you all a Merry Christmas and a happy holiday. Thank you for all your involvement this term and it has been wonderful to have parents and carers and families back attending our events in school. We hope you and your families find time to appreciate the important things over the break and we look forward to seeing you all in the Spring term.

It's Chriiiissttmmmaaas—what a wonderful end to the term we have had. We have enjoyed a rock band and an orchestra (and a cameo visit from Mr Pulleyn too!), making decorations and Christmas cards and enjoying our class parties. Year 3 provided us with a wonderful nativity—joyous singing and dancing and lots of laughs. Well done to all the children and staff for getting us in the Christmas spirit.

The Investors in Pupils programme is an established national quality mark to recognise, develop and extend pupil voice to build young people's life skills, character and resilience. The award recognises our hard work to develop positive pupil to pupil and pupil to adults relationships, leading to greater pupil responsibility over their own learning and behaviour. We are proud to once again be awarded "proficient" for this award. Well done to everyone!

Getting help over Christmas— Uniform Exchange have lots of warm, winter coats available if families need them. They are also welcoming donations of coats, hats and scarves—thank you so much to those who have donated into school already—we have received so many donations this year so far. If you need any help or advice to help you over Christmas, you can contact Miss Dickinson or Mrs Lowe via class dojo or via email. There is also some advice that can be found here—<https://www.kirklees.gov.uk/beta/cost-of-living/index.aspx> . Over the Summer we changed our payment platform from **Pay360 to ParentPay**. ParentPay is how all monies will be paid to school for dinner money, milk, trips and charity donations. No cash is accepted in school. Emails with an activation code were sent out early in the Summer holiday to set up your ParentPay account. Please contact the school office if you need any help setting your account up or managing your child's dinner money.

**Health and Safety—Rawthorpe Lane is a busy road and whilst we understand it is a busy time when dropping and picking up children from school—please consider where you park to keep everyone safe and be respectful of our neighbours and each other. The zig zag lines should not be parked on nor should any neighbours have their driveways blocked at any point.**
