

Hopes can be for ourselves or for others.

Quiz time!

Read the following hopes and decide are they just for the person who's making them or are they for others?

I hope that my best friend has a good time on their holiday.

I hope that everyone in the world has enough to eat.

I hope everyone I get lots of Class Dojo dollars to visit the shop.

I hope my new school shoes don't rub my feet.

I hope I get a new tablet for my birthday.

Sometimes our hopes might be opposite to someone else's.

This man is hoping for rain to help his crops grow.

This man is hoping it won't rain again as his house has been flooded.

Some hopes can be small...

I hope my Mummy
buys some more
chocolate milk from
the shop.

Some hopes can be big...

I hope that one day I
will have clean water to
drink.

The world cannot improve and help others without hope. You can't just 'Hope' or 'Wish' for something to happen... you actually have to do something to make it take place.

There are many charities out there that help to bring water to people in need, so that their hopes of having clean water to drink come true.

Hope in God

Christians have hope that God will take care of them, even when things might be going wrong. They hope that he will fulfil the promise of the Kingdom of Heaven.

Home-School Challenge

I hope..... Write one of your hopes under your rainbow!

POWER
YOUR WEEK WITH
PRAYER

Dear Lord,

Help me find
strength for today
and *hope* for tomorrow
as I sail into the future
You have for me.
Amen.
