

Autumn 2
Miss Douglas and Miss
Hunt

History
In History we will be looking at the history of toys from the past 100 years. We will place toys on a timeline in chronological order and look at comparing old and new toys.

Science
In Science we will continue to work towards achieving the next sticker in our CREST Award. We will look at materials of different toys and carry out experiment to test which material would make the best roof for a Lego house. We will carry out experiments and record our findings.

Music
In Music we will continue to work on our musical talents, learning more about using the correct vocabulary using Charanga. We will start to introduce different instruments to learn a song.

Art
In Art we will have a go at sketching our favourite toys using sketching pencils, learning how to use them correctly and different techniques to create light and darker strokes.

PE
In PE we will be working with our Sports coach, Bryn on our gymnastic skills. We will be looking at creating sequences and different routines using balances. We will also be putting together a dance routine, themed around toys!

Computing
In Computing we will continue our work on E-Safety, looking at the story of Smartie the penguin and helping to keep him safe on the internet. We will also start to create pieces of work and look at saving and retrieving them.

RE
In RE we will spend time looking at the Christmas story, retelling the story and understand why Christmas is such a special time for Christians.

JIGSAW
In our PSHE sessions we will continue to work on our JIGSAW sessions, the topic is called Celebrating Difference.
