May 2019

Dear Parent/Carer

**Year 2 children**

All year 2 children are required to take KS1 National Curriculum tests during May 2019. These tests will take place during week beginning Monday 20<sup>th</sup> May 2019.

It is very important that your child attends school every day especially throughout that week and arrives promptly at the start of each day.

Yours sincerely

Mrs Coates  
**Head of School**
