

“Success For All”

September 2019

Dear Parent/Carer

Welcome back to the new school year. Firstly, can I say thank you to you for preparing our students so well for their return. They look wonderful in their fresh new uniforms and have had a very settled first few weeks of term. Your support is very much appreciated in ensuring that the students have correct uniform and equipment to support a calm and purposeful environment.

Trips and Activities

As a school we are always striving to improve and give all our students the best start possible and at Netherhall we believe that learning outside the classroom is just as important as what happens inside the classroom.

I am delighted to advise you that the school has already booked a number of ‘out of the classroom experiences’ for the students to enjoy this academic year. We believe this will strengthen student engagement, enjoyment and knowledge. The school is partly contributing to a number of these activities.

In order for students to be eligible for the scheduled trip/activities and others that will be running throughout the year all we require is good attendance and a good attitude to learning.

Further information regarding dates and cost of each trip and activity below will be sent nearer to the time:-
