

January 2020

RE: Year 9 Parents' Event

Dear Parent / Carer

You are invited to the Year 9 Parents' Event on **Thursday 6th February 2020**; the event will run from **3:00pm to 6:30pm** and will provide an opportunity for parents to talk to subject teachers about your child's current progress and the upcoming GCSE programme.

Students are not required to attend the meetings but it may be beneficial for them to hear the key points on progress, attainment and achievement.

The school has introduced a new and easy to use online appointment booking system. This allows you to choose your appointment times with teachers and receive an email confirming your appointments.

Appointments can be made when the event goes live on the website at 6pm on Thursday 30th January 2020 and will close on Tuesday 4th February 2020 at 6pm.

Please visit <https://nlc.parentseveningsystem.co.uk> to register. Once registered you can book your appointments from 6pm on Thursday 30th January (a short guide on how to add appointments is included with this letter)

There will also be an opportunity for you to attend a short presentation with Mr Shufflebottom that will outline our new parent app that will enable you to monitor your child's progress, homework, attendance and achievements. The presentation will take place in Science 6 (opposite the main hall) and you will be able to attend any of the following times: 3:00pm, 4:00pm, 5:00pm and finally at 6:00pm.

At this watershed moment in your child's life it is important we build on the positives and eradicate where possible the negatives, we can only do this if we work together and build on the success we have already achieved.

If you are planning to attend could I please ask that drivers use the designated parking spaces as this will avoid causing congestion and blockages at the end of the school day.

Yours sincerely,

Mr M. Kent
Principal
