February 2020

Year 7 Parents' Event - Thursday 5th March 2020

Dear Parent/Carer

At Netherhall Learning Campus we understand that keeping ahead of your child's progress in school is an important part of their learning journey. Our Year 7 parents' event will take place on **Thursday 5th March 2020**. The event will begin at 3:00pm and run until 6:30pm.

You will be able to meet with your child's tutor to discuss current progress, behaviour and attendance. We will also have our careers advisor, Sarah Timberley based in the main hall who will be able to offer any guidance and support in terms of potential future career pathways, this can include requirements for apprenticeships, University courses and employment opportunities.

The school has introduced a new and easy to use online appointment booking system which allows you to choose your appointment time with your tutor and receive an email confirming your appointment. The appointment can be made when the event goes live on the website at 6pm on Thursday 27th February 2020. Please visit <https://nlc.parentseveningsystem.co.uk> to register. Once registered you can book your appointments from 6pm on Thursday 27th February 2020 until Tuesday 3rd March 2020 at 6pm. A short guide on how to add appointments is included with this letter).

Following your tutor meeting, if you feel that a further meeting with a subject teacher would be beneficial, we will also run an additional parents' event on **Thursday 12th March 2020** where you will be able to make appointments with specific subject teachers, should this be needed. This additional event will begin at 3pm and run until 6.30pm. Appointments will be available to book with subject teachers from Friday 6th March at 6pm until Wednesday 11th March at 6pm at <https://nlc.parentseveningsystem.co.uk>

If you cannot make the Parents Event but still wish to discuss the process, please do not hesitate to contact either myself or the Head of Year 7 team Paul Kent and Andrew Ring on the number above.

If you are planning to attend could I please ask that drivers use the designated parking spaces as this will avoid causing congestion and blockages at the end of the school day.

Yours sincerely

Suzy Mattock
Deputy Headteacher
