

Netherhall Learning Campus High School – Online resources and work

All students have been given online access to EdLounge, Heggerty Maths, Seneca, Linguascope and Doodle. These online resources were initially purchased in order to allow students to complete out of school hours learning (Homework & Revision) however, due to the circumstances we find ourselves in, these resources will allow students to keep on top of their studies.

Edlounge log in details

Please go to <https://netherhalllearningcampus.edlounge.com> and log in with the details below:

School ID: netherhalllearningcampus
Username: Pupilsname (no spaces)
Password: Date of birth using the 8-digit format (DDMMYYYY)

Once your child has logged in, they will be able to access the independent learning pathways where they can follow their timetable of subjects for the time they are out of school. There are a wide range of learning resources they can access alongside interactive lessons. They may have mandatory lessons focusing on online safety and using the system when they first login in, please ensure that they complete these lessons to the best of their ability.

Hegarty Maths

Your child also has access to a further online learning platform called Hegarty Maths <https://hegartymaths.com/login/learner> where they can access a range of Maths resources and activities. Over the last two weeks your child has been given an introduction of how to log in and use the system. They have also been using the website to complete homework.

Doodle (English work)

Doodle logins for students have been given in class. However, if students have forgotten this, or haven't received the information, the logins are as follows:

<https://www.doddlelearn.co.uk/app/login>

FirstnameLastName+year of enrolment for year group. E.g. JohnSmith19

The years of enrolment for each year group are:

Year 11	15
Year 10	16
Year 9	17
Year 8	18
Year 7	19

(year of enrolment is the same as the rest of the year group, even if your child joined us later)

For Year 7, 8, 9 and 10 students, the password is password.

For Year 11 students the password is Netherhall
(They should change this when they first login)

Linguascope

www.linguascope.com

Student Username: nlchighmfl
Password: mfl@nlc

Year 7

Work Information sheets and revision materials available on the History department google drive accessed through the school website. www.monkeymonkeyrevision.co.uk Seneca – Online revision quizzes Documentaries related to our units on YouTube/BBC IPlayer e.g. BBC Teach medicine videos. GCSE BBC Bitesize		
Music		
Preparation and revision to continue the Component 3 Exam on return to school. Listen to the track you have chosen to arrange on Cubase. Then listen to music in the style you have chosen to change this into – what are the musical features of the style you have chosen? Read the Commercial Brief on the exam paper and make notes. You should select one of the following musical genres: 1. Reggae, 2. Synth Pop, 3. Blues, 4. EDM And select one of the following pieces: • Bill Haley and His Comets – (We're Gonna) Rock Around the Clock, • Iron Maiden – The Trooper • Mike Post – Theme from 'The A-Team', • Emeli Sandé – Clown, • Edward Elgar – Nimrod (from 'Enigma Variations'), • Fleur East – More and More, • Jennifer Rush – The Power of Love, • Madness – Wings of a Dove, • Panjabi MC – Mundian To Bach Ke, • Pulp – Common People. The genre that you choose must be different from the genre of the original piece. For this set task, the following combinations are forbidden: • Synth Pop and Jennifer Rush – The Power of Love, • Reggae and Madness – Wings of a Dove. Think of the plan you made in your 2 - hour exam and consider how you may make these changes as a piece of music in the chosen style S:\Music\MUSIC COVID 19 WORK\Year 11 Exam Materials		
Art	Graphics	
Preparing for Art exam. Development work and design ideas. Students have individual plans. Resources to be uploaded on sims app.	Preparing for exam. Development work and design ideas. Students have individual plans. Resources to be uploaded on sims app.	
Citizenship	Business Studies & Computing
