Dear Parent/Carer

Following last night's Government announcement, we are delighted to let you know that we will be initiating our phased reopening from Monday 1<sup>st</sup> June.

You have already received your child's timetable, start time and finish time. I would ask that you pay particular attention to both the start and the finish of the school day, the staggered start and finish has been planned to avoid heavy congestion and traffic into and out of school and therefore reduce the risk of spreading the virus.

In previous letter we have made it clear that students will not be allowed to mix outside of their allotted groups and that they must adhere to the social distancing and the hygiene guidance. Any pupil who is not capable of keeping within these guidelines will not be allowed to remain in school on health and safety grounds.

The government have made it clear that the final decision on whether your child returns to school is yours if your intentions have changed since you last contacted school please contact us directly via email. We look forward to seeing you on the Monday 1<sup>st</sup> June.

Yours sincerely
