Year 8 – Combined Options and Parents’ Event - Wednesday 27th January 2021

Dear Parent/Carer

At Netherhall Learning Campus we understand that choosing options can be a stressful and confusing time. The support of parents and carers is an integral part of the options process and with this in mind, we have organised a combined Options and Tutor Online Event on **Wednesday 27th January 2021**. The virtual event will begin at 4:00pm and run until 8:00pm and will provide an opportunity for parents to talk to their child’s tutor to discuss their current progress and to meet subject specific teachers via video link to discuss the available GCSE courses in more detail.

Booking Appointments

The school uses an online appointment booking system which allows you to choose your appointment times and receive an email confirming your video appointments. The system allocates 5 minutes per appointment. The appointment time will automatically start at your allocated time and is not able to be reset or paused and will end after 5 minutes.

Appointments can be made when the event goes live on the website at 6pm on Wednesday 20th January 2021 and will close on 25th January 2021 at 8pm. Please visit <https://nlc.parentseveningsystem.co.uk> to register and book your appointments online.

Options

The options booklet with further subject information and learning pathways for you to read and discuss with your child is available to view on our school website - [Netherhall Learning Campus High School - Year 8 Options \(nlconline.org.uk\)](https://www.netherhalllearningcampushighschool.org.uk/Year8Options)

We also have a 360 interactive virtual tour to help you with this process where you will be able to review each different subject area, view the options information and learning journey. This will also be made available on our website or can be viewed clicking the link below.

https://aws360buildtour.s3.eu-west-2.amazonaws.com/netherhall_high/index.html

Students will then be given the opportunity to select their option pathways, the deadline for this will be Friday 12th February 2021 at 3pm. The process for choosing options will be done electronically and this can be accessed using the link below at any point until the 12th February:

You will have the chance to make a virtual appointment with specific option teachers where you can discuss the course outline and ask any specific questions you may have. You will be able to make these appointments through the parents evening appointment system in the same way as the tutor meetings. Please see the attached document outlining which staff will be available throughout the evening.

Tutor Meetings

You will be able to meet with your child's tutor to discuss current progress, behaviour and attendance.

Careers Information

We will have our careers advisor, Sarah Timberley based available on the parents evening booking system for you to make an appointment with, should this be needed from 4pm – 8pm. She will be able to offer any guidance and support in terms of potential future career pathways, this can include requirements for apprenticeships, University courses and employment opportunities.

If you cannot make the Options and Parents Event but still wish to discuss the process, please do not hesitate to contact either myself or the Head of Year 8 team Ena Basic, Paul Kent and Andrew Ring on the number above or via their school email address.

Yours sincerely
