### Welcome back letter from the Principal

Dear Parent/Carer,

I would like to take this opportunity to welcome all our students back to Netherhall Learning Campus High School. Your child should now have been issued with their timetable and be familiar with their new teachers and routines ready for the academic year ahead.

#### **School Uniform**

Students must be in full uniform every day. This includes black trousers, no track suit bottoms, and black shoes/trainers. School jumpers should have the school logo on.

As of Monday, 20<sup>th</sup> September, any student who arrives in school, not in uniform, will be challenged and potentially be sent home to get changed.

- **PE Lessons**

All students are expected to attend school in full uniform and change, in school, into their PE kit on the days they have PE. Kit should now only be worn during the PE lesson, not before or after.

- **PE Uniform**

Black Polo Shirt (with or without logo)  
All Weather Outdoor Top  
Shorts / Tracksuit Bottoms  
Football Boots – (dependent on activity- required for Girls and Boys)

#### **School Meals**

The school catering team will continue to provide a variety of hot and cold options for children to purchase at break and lunchtimes. A standard 'meal deal' will now cost £2.50.

If your child is entitled to free school meals they will receive this amount credited to their account to be used at lunchtime only. If they would like to make purchases at break time from the dining room please make an additional payment via Pay 360 to their account.

Please contact the school office if you have not received your Pay 360 invitation or require further assistance with registering.

If your child has any specific dietary requirements, please contact Velda Codner – Medical and Welfare Officer [codnerv@nlconline.org.uk](mailto:codnerv@nlconline.org.uk) who will liaise with the catering team on your behalf.

If you would prefer for your child to bring a packed lunch, there is sufficient seating in the dining hall to enable them to eat and socialise with the other students.

All students have now been allocated a PIN number to use when purchasing food in the Dining Hall. If they have any issues with their pin number or purchasing lunch, they should see a member of the reception team as soon as possible who can assist them with this to make sure they receive a meal at lunchtime.

### **SIMS Parent and Student App**

The SIMS parent and student app gives easy access to important school information and work for your child. Your child will be given access to the SIMS Student app and given support to register in school. Your child can view their homework on the app and register for after school clubs.

What will you find in the SIMS Parent app:

- Important information such as attendance, behaviour, achievement and homework
- Access your child's school report
- Access to update your contact details, so we always have the most up-to-date information in case of emergency

If you have more than one child at school, you will have access to information for all your children, from the same app. The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.

Please contact the school office by email to [info@nlconline.org.uk](mailto:info@nlconline.org.uk) if you have not yet registered for the SIMS parent App to arrange for an invitation code to be sent to you.

### **Upcoming dates for your diary**

<b>Monday 20th September</b> School Photo Day	Photos will be taken for our Year 7, 9 and 11 students and will be available to purchase afterwards online. If your child is in Year 8 or 10 and we do not currently have a photo on file, they will also have a photo taken.
