November 2021

Year 8 Christmas Rewards 2021 – Pizza Hut and Odeon Cinema voucher

Dear Parent/Carer

We are pleased to offer every Year 8 pupil the opportunity to work towards receiving a Christmas reward. We appreciate the hard work that our students have put in so far in such unprecedented times. We would like to reward our students in the final approach to completing their first term back in school. We have worked with Pizza Hut and the Odeon cinema (Unit 1, Stadium way, Huddersfield) to provide every qualifying student with a voucher so they can celebrate their hard work and success at each establishment in their own time.

At Netherhall we endeavour to reward positive attitude to learning therefore, every student in Year 7 currently has the opportunity to qualify for this exciting reward.

In order to qualify, over the next 6 weeks, students must meet the criteria below: -

Criteria for End of Year Rewards

Attitude to Learning (ATL)

Year 8

Your child has 14 ATL grades across their different subjects.

To be eligible, students must achieve a minimum of 11 green or better 'ATL' grades in their end of term report.

Heads of Year will consider any other behaviour incidents, on a case-by-case basis, to decide eligibility.

All qualifying students will receive their reward in the Year 8 Celebration assembly that will be held in the final week of term.

Reports will be sent via the SIMS parent app during the last week of term. If you require a registration code for the SIMS parent app please contact the school office.

Yours sincerely

Michael Kent
Principal
